Projekt på integriner

Integrin signalling Are you interested in doing a project work in which signals generated by integrins during cell adhesion and migration are investigated? If so, contact Staffan Johansson for further information (email: staffan.johansson@imbim.uu.se, phone: 018-4714277). – Staffan Johansson Dept. of Medical Biochemistry and Microbiology Biomedical Center, Box 582 751 23 Uppsala Sweden
