

## Field opportunity: Chimpanzees in Tanzania

Klara Petrzekova Univ Brno, Czech Rep. needs field assistants on a project on chimpanzees in Tanzania. The field work includes studies of parasites, behaviour, and habituation in a population released near Lake Victoria 40 years ago. Field assistant must commit themselves to be in the field for 6 months under demanding conditions. It may be advisable to consider doing it as a team of two and to apply for MFS funding. Interested students should contact: Martin Carlsson ([martin.carlsson@ebc.uu.se](mailto:martin.carlsson@ebc.uu.se))

**Företag/institution:** Uppsala universitet

**Plats:** Tanzania
