

## Junior Rapportuer at 2008 World Water Week in Stockholm August 17-23

Junior Rapportuer at 2008 World Water Week in Stockholm August 17-23 The Swedish Water House is seeking talented and enthusiastic volunteers to help report and synthesise the many events held over the course of the World Water Week (WWW) in Stockholm, August 17-23, 2008. Junior Rapportuers will capture, summarise and analyse the discussions on one of six sub-themes for the week: Sanitation; Climate Adaptation; Ecosystems and Biodiversity; Water Resources Management; Transboundary Waters; or Water and Rights. Master or PhD students and young professionals are encouraged to apply. The position is not paid but includes free registration, lunches and social events. If interested, send your CV and personal letter stating your preferred theme and qualifications to Ms. Annika Börje, [annika@swedishwaterhouse.se](mailto:annika@swedishwaterhouse.se) by 26 May 2008.

**Företag/institution:** Swedish Water House

**Plats:** Stockholm

**Projektstart:** 17 Augusti
