GRANTS DAY 2019

Welcome to meet representatives from all the large funding agencies, and be inspired by our own successful researchers! On **21st November**, Uppsala University is arranging Grants Day for researchers from all fields.

The funding agencies will focus on their views of what constitutes a successful application. You will also learn more about the local research support at the university. During breaks, the presenters will be available for questions and discussion. The day will conclude with refreshments. The programme will be held in English.

Date: Thursday 21st November 2019, kl. 09.30-17.30

Location: University Main Building, Lecture hall X,
Biskopsgatan 3

Register here! Register soon as the places filled up fast last year. Deadline for registration is 30th October.

Welcome!
